

# DUNSBOROUGH AND DISTRICTS COUNTRY CLUB inc.

Our Club wishes to invite new and past players to another exciting Corporate Bowls season for **2020/21**. The first round commences on **Tuesday 10<sup>th</sup> and Wednesday 11<sup>th</sup> November 2020** and the second round commences on **Tuesday 2nd and Wednesday 3rd February 2021**. Each round runs for 6 weeks.

A team consists of 4 players with 1 or 2 spares (if possible but not necessary) being handy in case one of your team players isn't available to play.

No experience is necessary, the emphasis is on having fun and mixing with people, friends, neighbours and making new acquaintances and friendships. Bowls are available at the Club. Games are only for an hour from 6.15pm to 7.15pm and after the game light refreshments are available in the clubhouse when we celebrate the winners, raffle winners and some lucky sundry winners.

There is a one off team registration fee of \$40.

Thereafter the team weekly fee is \$40. (Note: \$80 payable per team for the first week)

*Payment in full on the first night or beforehand of \$240, for the complete six weeks play, reflects a discount of \$40.*

We recommend and prefer this payment option. This means that no one team member needs to collect monies from their team members each week and the volunteers doing the weekly registration are not handling money, enabling the process of registration smoother and more efficient.

Registration can be either by completing the Registration form or be emailing your teams details and contact information to [corpbowls@dunsboroughcountryclub.org.au](mailto:corpbowls@dunsboroughcountryclub.org.au)

Commencing on **Friday 6<sup>th</sup> November** and starting at 5.00pm, and continuing throughout the round, Corporate Bowlers are welcome to have a roll up. This is a good opportunity for novice Bowlers to have a try and the more experienced Corporate Bowlers to get back into the swing.

Experience Bowlers will be at hand to assist and give useful pointers.
